

# DAGMAT®

## BIODEGRADABLE PLANTMAT SQUARES FOR GUARDS

## 100% PURE NZ WOOL THE PERFECT MAT FOR PLANT & PLANET

Terra Lana DagMat is the ideal natural, eco-friendly and highly effective mat material for plant establishment. Maximize your plant survival rates, boost growth and save costs. DagMats are dense (750gsm), easy to install and precut at 200 or 250mm to fit square & triangle guards.

### MADE IN NZ

Manufactured in our Christchurch facilities for quality assurance, dependable supply and low environmental impact

### WATER RETENTION

DagMat absorbs and releases up to three times its weight in water. This can reduce irrigation requirements and assist plant establishment.

### LOCAL WOOL

DagMat wool is sourced directly from local Canterbury farms, reducing transport costs and adding value to the NZ wool industry and our local economy

### NATURAL FERTILISER

As DagMat biodegrades, essential nutrients such as nitrogen and potassium are released to improve soil health and to boost plant growth

### LESS MAINTENANCE

DagMat is densely needle-felted providing highly effective weed suppression, which reduces weeding and spray maintenance

### FROST PROTECTION

DagMat has natural insulative properties that protect tender plant roots from cold and frost damage

# USING DAGMAT PLANT GUARD SQUARES

DagMat Plant Guard Squares are designed to fit a wide range of common plant guard systems—including square and triangle guards using 1, 2 or 4 pole systems.

Contact our sales team for more information.

*Two common guard systems used with our 250 guard mats*

SIZE	DENSITY	LIFE EXPECTANCY	CODE
<b>200mm</b>	<b>750gsm</b>	12-18 months	DMPG750.200
<b>250mm</b>	<b>750gsm</b>	12-18 months	DMPG750.250

# COMBIGUARD PLANTMAT SQUARES

DagMat CombiGuard Plant Mat Squares are designed for use in the CombiGuard system. The mat is slotted around the base of plant, folding to two layers, then CombiGuard poles are inserted to hold the guard.

SIZE	DENSITY	LIFE EXPECTANCY	CODE
<b>200mm x 400mm</b>	<b>400gsm x 2 layers</b>	12-18 months	DMCG400.200
